

TOP 10 PROPOSAL SPOTS IN SEATTLE

Seattle kisses rating: 6.5/10 🍷🍷🍷🍷🍷🍷

SEATTLE

The greater Seattle area is a gem when it comes to natural beauty, from the mountains, to the bays and everything in between, the possibilities for proposal spots are endless. Narrowing it down to our top 10 was quite the challenge! Below we have our top 10 locations but we are not arranging them in any particular order as we think any one of them could be the #1 spot, we will leave that for you to decide! But know this, if you plan on proposing in Seattle, do it like a local and be prepared for rain, snow and the occasional bit of sunshine!

#6: SNOQUALMIE FALLS

Easily one of the most iconic and beautiful waterfalls in all of Washington, we had to add it to the list! You can watch the falls crashing from above at the Salish Lodge over a nice dinner, or take a hike down to the bottom where you can catch some of the spray from the waterfall, you won't go wrong choosing this spot to pop the question!
