

The Salish Bath Menu

Experience a taste of The Spa at Salish in your own room, with one of our specially created baths. Soak into a state of sheer tranquility. Allow our Bath Butler to prepare everything for you, or we can deliver the ingredients right to your door. Soak in the oversized jetted spa tub and end your day in total relaxation.

Salish Signature Bath

Indulge with the aromas of the Northwest as you immerse yourself in a bath of luscious fragrance. Our blend of rosemary and mint will stimulate your body and soul, and have you ready to embark on your next journey.

Milk and Honey

Escape the everyday while this bath soothes your body from head to toe, and brings a sense of peace and euphoria with our milk and honey blend. Allow the scents to cascade over you.

Intimate Escape

Soak up the togetherness in your jetted tub-for-two as sandalwood bath crystals provide full body relaxation. Rekindle the romance as you smooth each other's skin with our sandalwood Salish honey scrub and sandalwood body butter leaving you both feeling renewed and ready to embark on a fabulous evening together.

Sweet Dreams Surrender

Relax and calm your spirit with our pure French lavender scent and emerge in a world all your own. Lavender has the healing powers to allow you to drift off into a night of blissful rest and relaxation. Let your dreams carry you away.

Touch of Romance

This luxurious bath includes the perfect blend of relaxation and decadence. All of your senses are heightened and your experience enhanced as you nibble on chocolate truffles and indulge in pure bliss surrounded by the aroma fresh rose petals.
