### Buckwheat Pillow

Pillows filled with buckwheat hulls have unique therapeutic qualities recognized for centuries in Japan and other Far East countries. The Buckwheat hulls in the pillow mold to your neckline allowing your neck muscles to completely relax and release stress in the head, neck, and shoulder areas.

### Lavender Pillow

Engulf your senses in the aromatic qualities of lavender. The scent of dried lavender flowers is considered conducive to rest, relaxation, sleep, and the release of stress.

### Memory Foam Pillow

This unique non-allergenic foam actually molds to your head for an unbelievably comfortable sleep. Retains heat in the winter and is cool in the warm summer months.

### Body Pillow

For an unforgettably peaceful sleep, treat your entire body to a 50% goose down, 50% goose feather body pillow.

### Pregnancy Pillow

Getting a good night's sleep is a top priority during pregnancy. The pregnancy pillow's wedge design lifts and supports your abdomen at a comfortable angle. This provides a gentle cradling effect to help you get the sleep you and your baby need.

### 100 Percent Synthetic Pillow

For our guests with allergies, we offer a 100% synthetic, hypoallergenic pillow.
